

## **Farm Retail Manager**

### **About the Role:**

Weatherlow Farms seeks a reliable individual looking for an engaging farm experience in beautiful southcoast Massachusetts. This position will be responsible for the overall operation of our boutique farm store. The position requires hard work, enthusiasm, an eye for special things and exceptional customer service.

### **Roles & Responsibilities:**

- Open, manage, and close the store during retail hours
- Direct merchandising and sales efforts
- Curate offerings and promotions
- Assist in branding and store design
- Serve customers professionally and act as a spokesperson for the farm

### **Qualifications:**

- Previous retail experience
- Ability to represent the farm in a professional manner and proactively engage with customers
- Enthusiasm for working on a farm and promoting local products
- Love of good food and beautiful flowers
- Self-starter with a serious work ethic, ability to work independently

### **Compensation:**

Starting @ \$18/hr.

### **Hours:**

- High Season – 30 hours/week
- Low Season – 20 hours/week
- Potential for additional hours for those seeking full time employment

### **About Weatherlow Farms:**

Weatherlow Farms raises the highest quality grass-fed beef, lamb, chevon, pastured pork and poultry in the seaside town of Westport, MA. We grow a curated selection of flowers and foliage for weddings and special events. All is cared for employing environmentally sustainable and socially responsible practices which focus on the special relationship between land, animal and food. We host farm events throughout the year, including farm-to-table dinners, workshops, weddings, as well as private dinners and cocktail parties.
