

2022 Floral Harvest Assistant

Weatherlow Farms, Westport MA

Starting at \$15/hr

Low Season (April, October-November): 20+ hrs/week, 3 days/week, Mon-Weds

High Season (May through September): 40+ hrs/week, 5 days/week, Sun-Thurs

****Please send cover letter and resume to flowers@weatherlowfarms.com****

The responsibility of this role on our flower team will be to assist the Harvest Manager in all aspects of harvesting and packing 300+ varieties of flowers, including:

- Learning and mastering all flower variety names, habits, and characteristics
- Harvest and post-harvest handling of all florals
- Wholesale order preparation and packing, including inventory/cooler management
- Assisting with weekly estimates and harvest projections
- Help field and greenhouse team with planting and crop maintenance in low season

Additional responsibilities, if time and interest allows:

- Assist with harvest and processing of dried flowers, for seed saving and floral design and farm kitchen uses
- Take over, tweak, improve, and manage wholesale ordering e-commerce system

Candidate must be:

- Excited to commit to a full growing season as a vital member of our small team, and passionately Interested in the wild and beautiful world of specialty cut flowers
- Able to work outside, with early mornings and long days, in extremely variable New England weather conditions while maintaining a sense of humor
- Able to lift 50 lbs repeatedly
- In possession of a viable (and clean) drivers license, and a mode of transport to and from work
